YELLOWKNIFE, NT - Update

Flooring & Carpentry Standing Offer in Yellowknife - Sol. No. EW076-124096

Due: 2:00 p.m., January 22, 2013

Owner: Public Works and Government Services Canada, Telus Plaza North/Plaza Telus Nord, 10025 Jasper Ave./10025 ave. Jasper, 5th floor/5e étage, Edmonton, AB T5J 1S6. Phone: (780) 497-3547; Fax: (780) 497-3510. Attn: Katherine Davyduke (RPC).

Details: Work under this standing offer includes the provision of skilled licensed labour, tools, equipment, supervision and material as requested by Public Works and Government Services Canada in the form of call ups for Flooring and Carpentry work in Yellowknife, Northwest Territories. Services are to be provided on an "as required" basis. It is anticipated that only one firm will be issued a standing offer. The standing offer will be issued for a term of three (3) years. The total expenditures over the term is estimated at \$840,000. (GST/HST included). The Contractor has the ability to receive evaluation deductions through the provision of Tlicho Land Claim Agreement involvement in their proposal. A reduction of up to 10% may be applied to the total assessed bid price base on the provision of proof that your organization or service provided meets the criteria stated in Aboriginal Benefits.

R.M. OF WOOD BUFFALO

Anzac Waste Water Treatment Plant - QU2896

Due: 2:01 p.m., January 17 - Extended to January 24, 2013

Owner: Regional Municipality of Wood Buffalo, Purchasing Dept., 4th Floor, 9909 Franklin Ave., Fort McMurray, AB T9H 2K4. Phone: (780) 799-8681; Fax: (780) 799-8696. Attn: Roxanne Pittman. Email: Roxanne.pittman@woodbuffalo.ab.ca

Details: The Work consists of: The construction of a Waste Water Treatment Plant to serve the communities of Anzac, the area camps, the Nexen facilities, First Nations and Gregoire Estates. The average design flow for this facility has been calculated at 3,200 m³ per day based on the population numbers of: Anzac - 1100; Gregoire Estates - 298; Gregoire Lake First Nations - 603; Nexen Camp - 2744; Area Camps - 7427. Waste water will be delivered initially by truck. It is anticipated that Anzac will get a piped delivery system which will connect to the plant. Nexen also may wish to pipe their waste water to the plant. The treated effluent will be discharged via a pipeline 22 km east to the Christine River.

R.M. OF WOOD BUFFALO

Landfill Bioreactor Utilities & Installation - QU2864

Due: 2:01 p.m., January 30, 2013

Owner: Regional Municipality of Wood Buffalo, Purchasing Dept., 4th Floor, 9909 Franklin Ave., Fort McMurray, AB T9H 2K4. Phone: (780) 788-

1587; Fax: (780) 799-8696. Attn: Mr. Chris Wasney. Email: christopher.wasney@woodbuffalo.ab.ca

Details: The scope of work includes the following components: Provide electrical power to the Equipment Compound as required in the Design Documents from existing landfill power service; Provide Electrical Power from the Equipment Compound to sixteen (16) service boxes located on the landfill surface; Provide phone service to the Equipment Compound (minimum of 2 lines); Install a 2 inch (100mm) HDPE water line from the potable water tank at the old landfill office to the Equipment Compound liquid storage system. The line will be buried one (1) meter below the surface; Install 2 inch (100mm) water HDPE service line from the Equipment Compound Liquid Injection System to the landfill surface in accordance with the Design Plans. The line will be buried one (1) meter below the surface with 1" (50mm) connections as specified in the plans; Provide up to 120 hours of surface grading, excavation and/or filling support as deemed necessary by the Owner; Provide unloading, lifting and placement of Equipment Enclosures as deemed necessary to support the Installation of the Bioreactor System Equipment. This activity will include anchoring the Equipment Enclosures to the concrete pad and installation support for installing the Gas Emission Stack; Provide materials and equipment to support the project specified listed in the Specification Documents; Provide unspecified support that may be requested by the owner on a time and materials basis.
